Sir,

Government grants required under Town Improvement and Water Supply grants for the Town and minor Municipalities in Hassan District for the year 1943-44

With reference to your letter No L 32-14-22 dated 11-9-43 on the above subject, I have the honour to enclose herein a statement showing detail, the items of works to be undertaken, their estimated cost the amount of grant prayed for by the respective Municipal Councils and the amount of grant recommended by me and to state as follows

2 In Hassan Town the construction of a storm water drain below the Police Station buildings and of a drain behind the Modern Hotel and also behind the Bazaar street (items Nos 4 & 5 in the statement) are very essential and they are estimated to cost Rs 5000/- and Rs 5000/- respecitvely The entire estimated cost of these two works is recommended for sanction to be met out of Govt grants since the Hassan Town Municipality is not in a position to undertake these works owing to low income from Toll gates on account of Flood control operations and the stoppage of the cattle show during the previous year Half the estimated cost of the remaining items of works is recommended to be granted and the other half being met by the municipal Council

3 Arsikere - Half the estimated cost of all the three items of work is recommended to be met out of govt grant while the municipal Council undertake to meet the other half

4 In Holenarsipur sixteen items of works, according to block improvement plan, at an estimated cost of Rs 15,000/- are proposed to be undertaken during the current year These works are found very essential for the improvement of Holenarsipur Town and have been drawn up after detailed inspection and survey on the basis of improving one block in the town every year The Municipal Council have undertaken to meet half the estimated cost and the other half is recommended for sanction

sanction
from Government Grant

5 Saklespur.- Construction of a town hall and original road works proposed by the Council are not necessary this year The estimated cost for terracing the land near the T B and adjoining to the present Hospital the estimated cost is Rs 2250/- and recommendation has already been sent up in this office No Spl MC 1350/43 dt 20/9/43 for permission to appropriate the grant of Rs 2000/- made for breaching of Doddakere in Saklespur, towards the said terracing work and the balance of Rs 250/- being given as a town improvement Grant for this year Half the estimated cost of the remaining items of work is recommended for being met by Government Grant

6 Konanur - The construction of a town hall and formation of a Park in the town are not necessary during this year A sum of Rs 200/- being half the excess cost for filling up the pond and a sum of Rs 1375/- being the excess cost over the estimate for the 2nd stage of drainage work are recommended to be met from Government grant The entire estimated cost of Rs 4000/- for further moat filling and a sum of Rs 500/- for slum clearance in Adikarnatakakeri are also recommended to be met from Govt Grant

7 Belur - Half the estimated cost of each of the proposed items of work except dismantling fort area is recommended to be met from Govt grant

8 Arkalgud - A sum of Ps 1000/- is recommended for grant towards the pitching of stones to Roads both in Petta and Kote area

9 Channarayapatna - Certain improvement works like, acquiring certain houses, slum clearance opening out conservancy lanes and formation of new roads are found very essential for the improvement of the Fort area in Channarayapatna The idea has been to divide the Town into blocks and to improve one block each year The present estimates are for improving the first block All these items of works are estimated to cost Ps 15,000/- which are proposed to be taken up and completed in 3 years Government may be pleased to grant Ps 5000/- towards these for the current year The municipal Council is not in a position to contribute towards these works

10 Sravanabelagola - A sum of Rs 1000/- is recommended to be granted for the acquisition of Pottors' houses near the Kalyani A scheme for comprehensive drainage work in Sravanabelagola Town has

has already been submitted for orders of Government in this Office Ml C 4275/42-43 dated 7-8-1943

11 Banavara - A sum of Rs 1000/- is recommended for Government Grant for the 3rd stage of drainage work in Banavara Town

12 Water Supply Grants - A sum of Rs 1000/- towards the cost of over-hauling the filter of Hassan Water Works in Hassan Municipality, and Rs 1000/- for the construction of a Overhead Tank in Adikarnatakakeri to regulate water supply throughout the town in Konanur, are recommended for sanction from Water Supply Grants for the current year

13 I request that the Government may be pleased to sanction the various grants for Town Improvement and Water Supply Works, as recommended for, for the year 1943-1944
